ABOUT US

Signature's success story begins in 1994 as a distributor and retailer of modular kitchen systems. Since then, the company has been synonymous with quality craftsmanship and established itself as the market leader in the local kitchen industry.

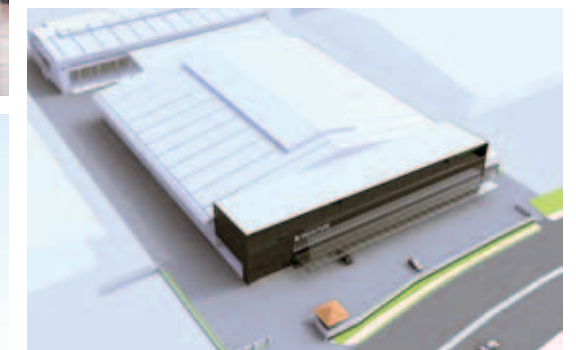

Listed on the Bursa Malaysia Securities Berhad in 2008, we continue to build on a tradition of trusted quality through a growing number of core business; resulting in a business synergy that allows the leverage of resources, sharing of expertise, and benefits of economies of scale.

At Signature, we have an unwavering passion and commitment to provide the best kitchen, wardrobe and living solutions of aesthetic yet functional designs; manufactured with quality materials, hardware and fittings. Today, with more than 23 years of experience in the kitchen industry, we understand every homeowner's needs, and are well versed with the complexity of coordinating a kitchen project that involves many parties.

Signature's portfolio thrives on maintaining a good balance between project and retail clients. Our sound financial position enables us to finance all projects and ensures our capability in handling large scale project orders, building successful and strong, lasting partnerships with leading developers and architects. To date, our successfully completed projects include prestigious and luxury properties in Malaysia as well as globally.

With the largest retail network in Malaysia and a strong presence in the international market, our experience and achievements as the largest kitchen manufacturer in Malaysia is unparalleled.

Today, our commitment to our customers and in service excellence remains the core of our business model and objectives. Driven by our vision of 'Delivering The "Signature Experience" to Our Customers the World Over'; and powered by an experienced and dynamic team, the SIGNATURE brand is set to soar to greater heights in the years to come as we strive to be the leading brand in ASEAN.

Our Vision, Mission & Core Values

VISION

To be the Leading Brand in ASEAN.

MISSION

Towards operational excellence in delivering the 'Signature Experience' to all our customers.

CORE VALUES

TEAM WORK

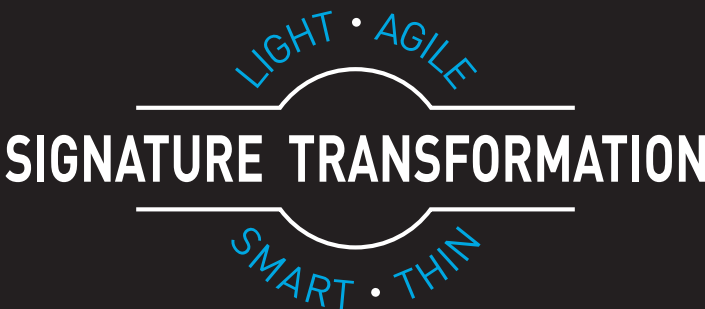

CUSTOMER
PASSION

EXCELLENCE

We place great emphasis in building a culture based on a SENSE OF URGENCY, SERIOUS MINDED and being TRUSTWORTHY in the way we behave and carry out our daily tasks; which will ultimately result in the core values: excellence, teamwork, and customer passion in our people.

The SIGNATURE brand stands for premium quality, passion for detail and timeless kitchen architecture that blends in to any lifestyle in today's modern living.

As a pivotal player and trend-setter in Malaysia's kitchen cabinet and wardrobe industry, intelligence has to be in our DNA. We transform concepts into reality as a true reflection of our industrial intelligence. This is achieved by the incorporation of our 3eye principles – intelligence, imagination and inspiration – all of which contribute to product excellence.

Clients are our greatest catalyst and it is with their visions and ideas that we are able to expand our imagination out of the norm. With inspirations from them and our knack in identifying key trends, Signature is always on the verge of introducing inspiring living space solutions that are driven by details and perfected by creative touches. The primary goal has always been focused on deriving kitchen cabinets and wardrobes with full functionality and improved efficiencies from the latest technologies to meet the needs of today's more discerning living space users.

The result is always rewarding and satisfying with clients turning into happy ambassadors of our brand.

The Signature Experience, led by Our Passion for Better Ways, has become an emblem to the Signature Kitchen brand as we provide service experiences that go beyond clients' expectations through their journey of purchase.

Today, as we strive to inculcate 'A Service Promise – Powered by Process', we continue to invest our efforts and time in embedding customers in our journey of developmental and operational processes, aimed to creating service experiences that delight and exceed clients' expectations.
